Holiday Edition— 2021 Year in Review

Volume 2, Issue 4

FROM THE DESK OF OUR EXECUTIVE PRESIDENT

Calvary greetings in the name of our Lord and Savior Jesus Christ!

To God be the glory, great things he has done and greater things he would do unto his children all over the world.

Happy New Year!

As we continue to face challenges caused by Covid restrictions worldwide, we have watched in awe as our God, Jehovah opens doors and release that which was held in bondage. He

continues a forward movement in the things He has ordained.

We are grateful to God for the lives of all who continue to live for God, trusting in His directions in full obedience.

Our prayer is for your good health, strength and the miraculous intervention by God to meet and exceed all your needs according to His riches in Christ Jesus, to the glory of God.

As you read through this very brief summary of all that is going on here in Ghana, by God's grace through Duamenefa Foundation, you too, will be amazed at what God can do despite the world's challenges. Greater is He that is in You than He that is in the world.

May this New Year of 2022 be our greatest year seeing the Lord move on our behalf in all areas of our lives.

2021—A Year to Reconcile

Entering into 2021, many had expressed a sigh of relief that 2020, the year of Covid 19 was over. Little did we know this virus would hang on for another year and continue to impact our environment, our communities, our families and our relationships.

Many battles were fought, but not on our knees. We decided to take a stand and ended up in many conflicts with those who had a different viewpoint than ours. Take the vaccine vs anti-vaccine proponents. Families were pitted against each other. But God's grace showed strong and we came to a place of understanding we are all different yet we can still coexist in peace. In the year 2021, we learned that it is ok to disagree and still love one another, so let's declare the year 2021 as the year of reconciliation and pray peace will prevail.

Reaching Out!

Our year began the first week of January 2021 began with our practicing Christianity according to Matthew 25 "For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in: naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me." We give God thanks for the board of governors and members of the Duamenefa Founda-

tion and all our associates who joined us in giving to this great commission.

Over 1500 in and outpatients plus the hospital staff were taken care of through the provision of food, spice drinks and water at Keta Municipal Hospital; Keta, St. Anthony's; Dzodze, Sacred Heart Hospital; Abor and In my Father's House; Abor.

According to the Executive President of

the Duamenefa Foundation, Mr. Emmanuel Ketaman Evortepe, this is one of the social intervention mechanisms of the foundation, "to provide charity".

The Reverend ministers who formed the substratum of Fafaa 100.3 FM's Duamenefa Foundation in intercessory prayer were readily on the ground at all the hospitals for ministration of healing together with the staff as the provisions were presented.

Donations of food and drink for patients, staff and guardians at three hospitals and a children's village. Part of our team of Pastors and associates came to pray over the donation, for the patients and staff.

DUAMENefa VOLUNTEER MEMBERSHIP REGISTRATION

As of 31 December 2021 we have 22,589 members; 99% which live in the Volta Region, has increased over 7,000 during the second half of the 2021 year. People are running away from the wicked lifestyles and running toward good. They are very keen on promoting peaceful coexistence. Two registrations at various communities take place most weeks and everyone from chiefs, police, immigration, teachers, traders, fetish priests, pastors and more are coming. We are grateful to God for this huge work and look for 30,000 people to join by the end of 2021. The benefits are a community supporting peace, eligibility to participate in fun games, which are community-based competitions to bring the people together for fun and unity building.

SUPPORT TO KETA MUNICIPAL HOSPITAL

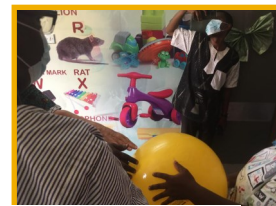

CHILDREN'S WARD

Glory to God!

- Throughout the year we join hands with our associate, Dr. David Kotei Nutakor in giving back to the birthplace of both David Nutakor and Ketaman Evortepe, the CEO of Fafaa and Executive President of Duamenefa Foundation.
- Dr. David felt he wanted to adopt the children's ward and do some major work there. So in December of 2019, he began by donating a 65" plasma TV with satellite hookups for the children. That was followed by a complete painting of the ward inside and out, then curtains were made to brighten up the place.
- In 2021, 20 high-density student mattresses were donated for the parents of children to sleep on when having to stay.
- Then our major project was to convert a small exam

room into a children's play/learning room. Decorating started with specially designed printed contact wallpaper, floor mats were placed for the children to have a place to lounge around and a table with four brightly colored chairs. Toys, tricycles, child's basketball game, a push car and other durable toys were given along with some books.

- We plan to expand on this project in 2022 by adding more books, shelves and other items so that time spent in the hospital can be more pleasant.

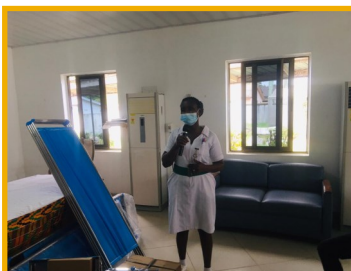

MALE WARD

The Executive President of Duamenefa Foundation, Mr. Emmanuel Ketaman Evortepe desired to help the male ward by first gifting four-32" televisions with satellite hookup to keep the men engaged in the news affairs while healing.

Next the hospital recognized the need in this ward to help prevent covid, so three

automatic hand dryers, four touchless sanitizer dispensers, 120 hand towels and bottles of sanitizer were delivered during the first quarter of 2021.

The ward received room dividers, thermometers, stethoscopes and rolling medicine trays as were needed were delivered for the male ward.

BUILDING A NEW VOCATIONAL SCHOOL

Last January we announced the completion of the coursework for our vocational students. Due to Covid delays, they finished just last month, December 2021 with great fanfare. We are very proud of those who have finished their course. They will take their equipment to begin internship and a path to grow a new life of freedom.

We also showed you plans for a new Vocational school. God has been so faithful, sending help from afar to build.

The Advantages

- More vulnerable orphans and Trokosi can be trained at one time at less cost.
- Boarding and classroom complex will be located in the same place.
- We can incorporate our foundation of Christ Jesus in all we do.
- Photos below will show the progress from a spiritual groundbreaking to reaching the level for roofing
